RANGER SONG

We're all pals together
Comrades, Birds of a feather.
Rootin pals, Tootin pals
Shootin pals, Scootin pals
In rain or sunshine.
Pals say we're brothers
Pull for each other
When you cheer your own
You're not alone, for when
You belong to the
Benton Rangers Junior High . . .

OUR PRINCIPAL

Mr. R. Earl Doty

The Graduating Class of 1964 wish to dedicate this Junior Scarab to our beloved principal, Mr. R. Earl Doty. We are very appreciative of his many kindnesses, and we sincerely extend our very best wishes for a most pleasant future.

The Passing Scene

We are a part of it. We live in it. We touch it and it touches us. It is a thousand things happening simultaneously. A kaleidoscope.

There is joy, laughter, music, chatter and nonsense. It is froth. It lasts for only a brief moment. It is the wonderful season of youth . . . when everything is wonderful. And it is now.

PRINCIPAL'S MESSAGE

To the Graduate:

You have reached a milestone in your educational career but many fine opportunities lie ahead for you who are interested. Finish your education and training with enthusiasm.

Your teachers have tried to offer you not only the fundamentals for a broad education but also have tried to spark your interest in learning and help you cultivate the ability to get along with others.

You soon will be adults directing the affairs of the community, the nation, and the world. Never in the history of the world has mankind needed more competent leaders.

We hope you have learned more than lessons from the textbooks, such lessons as morality, respect for your fellow man, and honesty. Use these lessons well!

Your Principal,

Seventh Grade Special Group

A vibrant red background serves as a canvas for a collection of artistic and musical objects. In the upper left, a golden ballet slipper rests on a branch with green leaves. A violin and its bow are positioned vertically in the center. To the right, a wooden chessboard with black and white pieces is visible. In the lower left, a paint palette with various colors and two brushes lies on a sheet of musical notation. A small metal cup sits near the bottom center, also on a musical score. The word 'ACTIVITIES' is written in a white, torn-edge paper shape at the top center.
